Premium steel and aluminium construction ensuring optimal strength-to-weight balance and longevity.

Customer Support & Services

Flexible Financing

Multiple financing options available through our authorised dealer network, making your purchase accessible and convenient.

After-Sales Support

Comprehensive maintenance services and warranty coverage to protect your investment and keep you on the road.

Dealer Network

Extensive dealer presence across the US ensures easy access to inventory, service, and expert support wherever you are.

Competitive Edge in the US Market

Standing Out from the Competition

Caballus Trailers competes confidently alongside industry leaders including Sure-Trac, Sundowner, and Homesteader, distinguishing itself through exceptional customisation capabilities and unwavering commitment to customer satisfaction.

Customisation Focus

Tailored solutions that adapt to your unique requirements, not one-size-fits-all templates.

Customer-Centric

Building lasting relationships through responsive service and quality products.

Strong Partnerships

Robust dealer network ensuring consistent inventory availability and local support.
